Rover...  a gardener's best friend

CONTENTS

CREATE YOUR
PERFECT
GREEN SPACE

With over 60 years experience in Australia, Rover offers you a large range of durable and simple to use lawn mowers that give lawns an amazing finish. Our Rover lawn mowers are also fitted with Safe Stop, an engine brake that keeps you and others around you safe at all times.

Our feature packed range of ride on mowers and zero turns offer superior performance and are ideal for large areas. With durability, performance and comfort in mind, our Rover ride ons and zero turns make mowing your lawn easier and more enjoyable.

We offer a range of handheld equipment to complement our grass cutting equipment including attachment capable line trimmers and a powerful blower.

Rover's garden products are also built to last. With a range of tough log splitters, a versatile chipper shredder vacuum, as well as our hard working tiller for those hard ground breaking jobs, Rover seasonal equipment is there for you all year round.

The Rover Powered by CORE range of cordless power garden tools includes a battery powered lawn mower, hedge trimmer, blower and line trimmer. This entire range operates on the same battery to give you a powerful and an efficient way to maintain your garden without the need for petrol.

RIDE ONS & ZERO TURNS

MY ROVER DELIVERS
PERFORMANCE
I CAN RELY ON

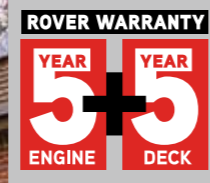

From ride on mowers through to zero turns, Rover has a feature packed rider to suit your needs.

Our Rover ride ons fitted with a Rover or Kawasaki engine come with a 5 year engine plus 5 year unit domestic use warranty* so you can enjoy your Rover for years to come.

*See back page for more information on engine and unit warranties.

RIDE ONS

All Rover ride ons fitted with a Rover or Kawasaki engine feature a 5 year engine plus 5 year unit, domestic use warranty for added peace of mind.

With a range of engines, decks and transmissions, there is a Rover ride on to suit any application.

ROVER ENGINES

Rover engines feature a 5 year domestic use warranty for added peace of mind.

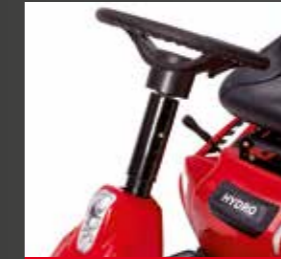

CHOICE OF TRANSMISSIONS

Choose from easy to use 6 speed (shown) or hydrostatic transmissions for greater manoeuvrability and smoother driving when mowing.

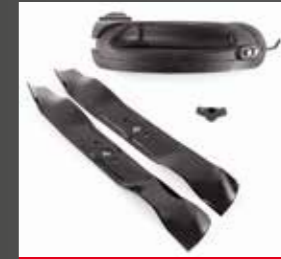

COMPACT STYLING

Ideal for smaller storage areas and allows the rider to manoeuvre between narrow gates.

TELESCOPIC STEERING

Allows the operator to adjust the steering height for a more comfortable ride.

OPTIONAL MULCH KIT

Helps maintain moisture by putting nutrients back into the grass for a healthier lawn.

DECK WASH

Helps maintain cutting deck in optimum condition by clearing away debris.

MICRO RIDER

1/4 - 1 Acre

- Incredibly compact ride on mower with a **6 speed transmission**
- Only 80cm wide
- Fits through narrow gates and is ideal for compact storage areas
- Optional mulch kit available, sold separately

MINI RIDER 382/30

1/4 - 1 Acre

- Compact rider featuring a **6 speed transmission** with a more powerful engine and larger 30" deck
- Fits through narrow gates and is ideal for compact storage areas
- Features a standard front bumper
- Optional mulch kit and catcher available, sold separately

MINI RIDER 382/30 HYDRO

1/4 - 1 Acre

- Compact rider with a more powerful engine and larger 30" deck
- Provides smoother driving with a **foot-operated hydrostatic transmission**
- Fits through narrow gates and is ideal for compact storage areas
- Features a standard front bumper
- Optional mulch kit and catcher available, sold separately

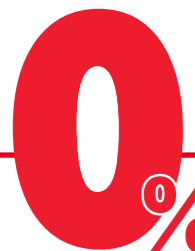

RAIDER 439/38

1 - 2 Acres

- Features a larger 38" deck and **6 speed transmission**
- Ideal for large areas
- Optional mulch kit, front bumper and catcher available, sold separately

Rover... a gardener's best friend.

RIDE ONS

All Rover ride ons fitted with a Rover or Kawasaki engine feature a 5 year engine plus 5 year unit, domestic use warranty for added peace of mind.

Our Rover ride ons that feature larger decks have time saving extras that make mowing easier and more comfortable.

CHOICE OF ENGINES

Choose from either Rover or Kawasaki engines featuring a 5 year domestic use warranty or a Kohler engine.

RANGE OF TRANSMISSIONS

Available with CVT Autodrive for car-like mowing and either hand (shown) or foot-operated hydrostatic transmissions for better manoeuvrability and smoother driving when mowing.

ELECTRIC PTO

Easily engages and disengages the mowing deck saving time and energy.

DECK WASH

Helps maintain cutting deck in optimum condition by clearing away debris.

HIGH BACK SEAT

Offers extra comfort. The Lawn King 21/42 also feature arm rests (shown) for the ultimate in comfort when mowing for extended periods.

OPTIONAL MULCH KIT

Helps maintain moisture by putting nutrients back into the grass for a healthier lawn.

RANCHER 547/38 AUTODRIVE

- Powerful engine and 38" deck
- Ideal for mowing large areas quickly and efficiently
- Smooth, car-like driving with a **foot-operated CVT Auto Drive transmission**
- Optional mulch kit, front bumper and catcher available, sold separately

RANCHER 547/42

- Powerful engine and larger 42" deck
- Ideal for mowing large areas quickly and efficiently
- Gives you smooth driving with a **hand-operated hydrostatic transmission**
- Optional mulch kit, front bumper and catcher available, sold separately

LAWN KING 18/42

- Powerful engine and larger 42" deck ideal for mowing large areas quickly and efficiently
- Smoother driving with a **foot-operated hydrostatic transmission**
- Electric PTO allows mowing deck to be easily engaged and disengaged
- Optional mulch kit, front bumper and catcher available, sold separately

LAWN KING 21/42

- Bigger, more powerful engine and larger 42" deck ideal for mowing large areas quickly and efficiently
- Smoother driving with a **foot-operated hydrostatic transmission and auto locking diff for increased traction control**
- Electric PTO allows mowing deck to be easily engaged and disengaged
- Optional mulch kit, front bumper and catcher available, sold separately

RIDE ON ACCESSORIES

ZERO TURNS

All Rover ride ons fitted with a Rover or Kawasaki engine feature a 5 year engine plus 5 year unit, domestic use warranty for added peace of mind.

For larger areas, the Rover zero turn range is hard to beat. With tough builds, dual transmissions and a choice of either lap bars or four-wheel steering with steering wheel control, Rover zero turns give added stability for an effortless cut.

CHOICE OF ENGINES

Choose from either Rover or Kawasaki engines featuring a 5 year domestic use warranty or Kohler engines.

DUAL TRANSMISSIONS

Work at the same time to give more power, stability and manoeuvrability for an easier cut.

RUGGED CONSTRUCTION

Heavy-duty, full length, fully-welded tubular steel frame is designed to absorb impact and provide maximum stability.

USER FRIENDLY CONTROL PANEL

Have everything at your finger tips including the conveniently located electric PTO dash mounted button so you can quickly engage the cutting blades.

CHOICE OF LAP BARS OR STEERING WHEEL CONTROL

Choice of padded ergonomic lap bars ideal for flat areas or steering wheel control for unbeatable stability of difficult terrains.

OPTIONAL MULCH KIT

Helps maintain moisture by putting nutrients back into the grass for a healthier lawn.

RZ 42

2 - 3 Acres

- 679cc engine and large 42" deck
- Ideal for extra large areas
- **Dual EZT Transmissions** work at the same time providing more power, stability and manoeuvrability for an easier cut

LAWN MOWERS - ALLOY DECK

All Rover lawn mowers fitted with a Rover engine feature a 5 year engine plus 5 year unit, domestic use warranty for added peace of mind.

The Rover alloy deck range is built for durability and performance. The heavy-duty non-rust, strengthened alloy extends the life of the deck to give you added durability for peace of mind. Lawn mower features such as mulching and self-propelled options give you simple, effortless mowing ideal for small through to large areas.

SAFE STOP
An engine brake is fitted to stop the engine upon release of the handle for added safety and peace of mind.

DECK WASH
Helps maintain your cutting deck in optimum condition by clearing away debris.

LARGE CATCHER WITH FILL INDICATOR
Large 65L catcher keeps emptying grass to a minimum. The catcher fill indicator shows when the catcher is full.

BALL BEARING WHEELS
Reduces friction when pushing the lawn mower saving time and effort.

MULCHING OPTION
Helps maintain moisture by putting nutrients back into the grass for a healthier lawn.

SELF PROPELLED
Propels the mower for effortless mowing saving you time and energy.

SNORKEL AIR FILTER
Delivers clean air and better air flow to the engine for a better performance.

BLADE BRAKE CLUTCH
Stops the cutting blades from spinning while the engine continues to run giving you a safe way to empty the catcher or remove debris from your cutting path.

CORDLESS POWER GARDEN TOOLS

Get the reliable and powerful performance you expect from a Rover without the petrol engine with Rover's simple to use cordless power garden tools range.

CORE MOTOR CM

Gives you the power and performance of a petrol engine without the need for petrol for efficient, cleaner and quieter outdoor power equipment.

POWER OUTPUT DISPLAY PD

Shows real-time motor performance allowing you to estimate usage time and encourages more efficient use of the power available.

SIMPLE START SS

No more pull starts. Insert the override key then simply press and go.

STEEL DECK SD

Heavy-duty 1.8mm, high arch steel decks cut to the edge both sides for effortless mowing to save time.

LARGE CATCHER WITH FILL INDICATOR LC

45L catcher keeps emptying grass to a minimum. The catcher fill indicator shows when the catcher is full.

WHAT IS CORE?

CORE is a revolutionary motor design that powers the new Rover battery range of cordless power garden tools. The CORE motor generates maximum torque to give you a motor that is:

SIMPLE: there are no complex motor windings or brushes to wear out

DURABLE: the CORE motor comes with a limited lifetime warranty

EFFICIENT: provides a longer run time under load

POWERFUL: produces torque similar to that of a petrol powered mower

Best of all, the same CORE battery can be used across the entire CORE product range for an efficient lawn and garden care system without the need for petrol.

TOTAL PIECE OF MIND ROVER'S INDUSTRY-LEADING 5+5 YEAR WARRANTY

At Rover, we believe in the performance and durability in our range of products. With features like the industry leading 1.8mm deck thickness on our steel deck lawn mowers, our products are built to last.

We are so confident in the strength of our products that we offer a 5 year engine plus 5 year unit, domestic use warranty* so you can enjoy your Rover for years to come.

Our belief continues through to our Rover engines that give you both a powerful performance and added peace of mind with a 5 year, domestic use warranty.

For more information on our 5 year plus 5 year warranty, contact your local Rover Dealer.

*5 year domestic use unit warranty excludes the Rover handheld range.
5 year domestic use engine warranty includes both Rover and Kawasaki engines.

Non-Rover engine warranties (Kawasaki engines excepted) are 2 year domestic use and are set by the manufacturer. For information on our commercial warranties and for full warranty terms and conditions, contact your local Rover Dealer.

*Approved applicants only. Fees, terms, conditions and minimum finance amounts apply, incl. \$99 Annual Fee charged at the time the first debit is charged to your humm90 Mastercard Account and annually on the anniversary of that date. When you have met the Interest Free Criteria, the Annual Fee must be paid in full within the Interest Free Period or it will attract interest. If you do not meet the Interest Free Criteria the Annual Fee will attract interest from the date the Annual Fee is debited to your humm90 Mastercard Account. Up to 110 days Interest Free on humm90 Mastercard purchases (excluding cash advances) when you meet the Interest Free Criteria. Failure to make the required payments will result in you no longer meeting the Interest Free Criteria meaning that all new transactions from that day will be interest bearing from the date of the transaction. Any outstanding balance after the Interest Free Period reverts to the humm90 Mastercard Purchase Rate. Minimum monthly repayment required. Interest (charged at the Expired Promotional Rate) payable on outstanding balances after any Interest Free Period in relation to a Promotional Offer. See humm90.com.au for current interest rates. Only available at humm90 Mastercard retail partners. Credit provided by humm Cards Australia Pty Ltd ABN 31 099 651 877 Australian Credit Licence number 247415. Finance offers available for a limited time only, check www.rover.com.au for up-to-date finance offers or ask in store for details.

Not all products available at all dealers. A failure by a supplier to deliver in accordance with sample description or not at all or other unintentional causes may result in some products being unavailable. Product availability, images and specifications may change without prior notice. Images may not reflect dealer inventory or unit specifications. Recommended lawn sizes are supplied for general guidance only and are based on standard areas - please see your local Rover Dealer for more information. Engine descriptions, warranty and horsepower (HP) are by the engine manufacturer. DEC20
